Dear Father Olivera,

Just a note to thank you and the Chinese Community for the lovely events on Sunday last. I really enjoyed my time with the Chinese Community and am grateful for all that you did to prepare for the celebrations.

I would be grateful if, on my behalf, you would convey to your people my thanks and congratulations for a very successful celebration of Chinese New Year. My thanks, too, for the most generous stipend.

With every best wish and kind regard, I remain,

Sincerely yours,

  
Patrick J. McGrath  
Bishop of San Jose
